Details will be available on the school website

<http://www.gehs.co/ks4-intervention/>

Next steps for your son or daughter to prepare themselves for the upcoming examinations:

- All homework must be completed on time and to the best of their ability
- They must remain fully focused and on task during lessons at all times
- Create and follow revision timetables
- Become independent learners. Students need to take responsibility for their own learning, so if they do not understand something or are stuck on a homework task, they must seek help either from the teacher or online rather than missing it out
- Attend any intervention sessions which may be provided for them
- Bring revision guides to lessons
